EVENT PRODUCTION & STAND CONSTRUCTION IN BARCELONA

Your local production partner for events, exhibitions and corporate experiences.

Planning an event, exhibition or corporate activation in Barcelona?

Artisano provides local fabrication, stand construction, installation and production support for agencies, exhibitors and event companies working at Fira Barcelona, CCIB, Circuit de Barcelona-Catalunya and other venues across Barcelona.

Made with GAMMA

FROM FABRICATION TO TURNKEY PRODUCTION

We adapt our involvement to the needs of your project.

FABRICATION

Custom carpentry and production for exhibition stands, events and branded spaces.

INSTALLATION & DISMANTLING

Professional on-site assembly and dismantling teams for events with demanding schedules.

PRODUCTION SUPPORT

Local coordination and support for agencies and international production teams.

TURNKEY PROJECTS

Through our network of trusted specialist collaborators, we can coordinate additional services including graphics, furniture, plants, lighting and other event requirements.

Made with GAMMA

ONE LOCAL PARTNER. MULTIPLE CAPABILITIES.

Working with a local production partner means having someone on the ground who understands the venue, the logistics, the deadlines and the realities of event production in Barcelona.

From a specific fabrication requirement to a complete event setup, Artisano can adapt to your project.

Made with GAMMA

WE WORK ACROSS BARCELONA'S MAIN EVENT VENUES

Fira Barcelona — Gran Via & Montjuïc

Stand construction, fabrication, installation and event production.

CCIB Barcelona

Corporate events, congresses, conventions, exhibitions, launches and brand experiences.

Circuit de Barcelona-Catalunya

Corporate events, presentations, hospitality, activations and special events.
